## ASSISTANT MANAGER

Accounting & Business Advisory

Calvin joined BG Private in 2021 as a Senior Accountant and was made an Assistant Manager in 2023. Overall, he has more than 10 years of experience gained at several boutique accounting firms across Melbourne.

Over the years he has specialised in servicing retail and wholesale clients, particularly those selling construction materials. He therefore has deep understanding around the processes and other requirements of those in this industry.

His client group also includes those in professional services such as law firms, psychologists, and doctors. They turn to him for help with their management accounting, cashflow and budgeting needs.

As an Assistant Manager he is pivotal in helping to manage the workflow of his team of accountants so that clients are served efficiently.

In his spare time, Calvin loves playing basketball and badminton.
