

Greg Marino FCA

FOUNDING PARTNER (RETIRED)

Greg founded BG Private in 1978. From the beginning his aim was simple: to help clients make, save and invest their hard-earned funds. The development of BG Private into a multi-dimensional business has now made this achievable for all clients.

His belief in innovation and exceptional client service established BG Private as a respected industry leader. For many years we have consistently been one of the AFR Top 40 Accounting Firms nationally.

Greg's areas of expertise have encompassed audit, tax and business advisory, and he has 45+ years of experience in serving both local and overseas clients.

Greg's ethos of making BG Private a client focussed, forward thinking firm that partners with clients for the long term continues to bleed through every aspect of what we do to this day.

For many years he served as the Australasian representative on the board of the international accounting group, Integra International, and he has also been on the board of several sporting clubs and NFPs.

Greg was made a Fellow of Chartered Accountants Australia and New Zealand, an award which recognises people who have made a significant contribution to the accounting profession through services to their community, participation in professional bodies, and dedication to research or writing within the accounting field.
