## SENIOR CLIENT MANAGER

Accounting & Business Advisory

Nicole has been with BG Private since 2017 and has been in the accounting industry for more than 25 years. She is now one of our experienced Senior Client Managers.

A diversified client base means she is knowledgeable about the unique challenges and opportunities of various industries. Applying the experience that only decades in the field can build ensures clients are in the best of hands.

Nicole is known for her insightful, impactful, and actionable advice. Her calm and personable nature means clients feel comfortable to reach out to her with any needs they have. A testament to this is that she fosters long-standing client relationships – some even from more than 20 years ago.

With extensive knowledge of accounting software applications, including MYOB and Xero, she can help streamline processes to make the client's day-to-day accounting and bookkeeping operations more efficient. For clients, she has become a “go to” resource on how to use their accounting tools more effectively.

Nicole also assists in managing our Accounting & Business Advisory team, and she is seen as a respected mentor to up-and-coming accountants.

In the early mornings, you'll find Nicole at the gym while at the weekend you'll find her barracking for the Sydney Swans and Melbourne Storm. She also provides pro-bono accounting support to the Oakleigh Occasional Care Co-Operative (a not-for-profit childcare centre).
