

Richard Sun CPA

ASSISTANT MANAGER

Accounting & Business Advisory

Richard was an accountant at several boutique accounting firms in Melbourne's eastern suburbs before joining BG Private in 2022.

He has a keen eye for detail and is passionate about helping clients navigate their accounting needs with tailored solutions.

He specialises in tax and accounting compliance, and tax planning. He also has a high level of proficiency in accounting systems, so he can help clients with any accounting software questions they have.

His combination of technical expertise and experience across a broad base of client types means he is able to draw on a wide variety of cases to advise on the best possible solution for each client's differing needs.

He is fluent in Mandarin and Cantonese.

Beyond his professional pursuits, Richard plays competitive basketball, showcasing his goal-and team-oriented nature. He also enjoys yum cha with friends and family – though he won't reveal his favourite Chinese restaurant as he knows this is a contentious area.

BG Private is an association of separate firms that operate in Melbourne and Sydney under the same trading name. The Melbourne firm and the Sydney firm are not partners or agents of each other, and shall not be liable for any act or omission of each other. Liability limited by a scheme approved under Professional Standards Legislation.
