SECTION 1

Financial services guide

What other information should you consider before deciding whether to proceed with our recommendations?

If you receive personal financial advice this will be documented in a Statement of Advice (SoA) or, in specific circumstances, a Record of Advice (RoA) that confirms the discussions you have had with us, the recommendations we are making, and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us, and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. Among other things, the PDS contains information about the risks, benefits, features and fees payable in respect of the product. In combination, these documents will help you make an informed decision about whether to proceed with our recommendations.

Who provides the financial services described in this FSG?

The financial services described in this FSG are provided by us as Authorised Representatives of BG Wealth Management.

Part 2 of this Guide contains further details about your Financial Advisor, and our experience, qualifications and professional memberships.

Who is responsible for those financial services?

As the holder of an AFSL, BG Wealth Management is responsible for the financial services we provide to you. BG Wealth Management acts on its own behalf when these financial services are provided to you. In relation to the financial services offered in this FSG, BG Wealth Management, as the holder of an AFSL, does not act on behalf of any other person or licensee. BG Wealth Management is only responsible for the services offered in this FSG.

The law requires BG Wealth Management to have arrangements in place to compensate certain persons for loss or damage they suffer from certain breaches of the Corporations Act by BG Wealth Management and/or its Authorised Representatives. BG Wealth Management has internal compensation arrangements as well as professional indemnity insurance that satisfy these requirements.

What products are available?

A range of financial products offered by many leading financial product providers are available for recommendation by us. Details of the available products we can recommend are contained in the Approved Product List (APL).

Internal and external experts provide financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from. We conduct due diligence on external research report providers that provide us with research.

We will only recommend a product to you after considering its appropriateness to your individual objectives, financial situation and needs. The recommendations will be made after conducting an investigation into the

financial products and may require us to investigate and consider a financial product which is not on the APL.

How do we ensure that the advice we give you suits your needs and objectives?

To ensure we provide advice suitable for your needs and financial circumstances, we firstly need to understand your financial situation, personal financial objectives and needs. We will follow a step-by-step process as outlined below:

1. We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
2. We will collect all the information we need from you, including your personal financial situation, financial objectives and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing your full personal information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
3. We will help you identify your goals and may discuss your attitude towards investment risk.
4. We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where required we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA or, in some cases depending on the circumstances, an RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice.

Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended to help you make an informed decision about whether to purchase that product.

5. We will discuss our recommendations with you, make any changes you require and gain your agreement to implement those recommendations.
6. We will then implement those recommendations.
7. We will meet with you periodically to review your financial circumstances if we agree to an ongoing advice service arrangement which includes a regular review component. If an ongoing advice service arrangement is entered into, this will be documented in your Ongoing Advice Service Arrangement Letter and/or SoA. Where you have entered into an ongoing fee arrangement after 1 July 2013, we will renew your arrangement with you every 12 months.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

1. Where we provide you with only general advice, such as through seminars and newsletters;
2. Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

What documents do you get if we provide further advice?

Where a further review is conducted and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting us (on any of the contact details set out in Part 2 of this Guide) for a period of seven years from when the further advice was first provided to you.

You may specify how you would like to give us instructions, for example, by phone, fax or email using any of the contact details set out in Part 2 of this Guide. Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

Other services

We may provide services other than financial planning services. While we may provide these other services, you should understand that these other services are not provided under BG Wealth Management's AFSL and BG Wealth Management does not train, support or supervise the provision of these other services and has no responsibility in relation to these services.

Details of any fees, commissions or other benefits that we, BG Wealth Management or other associated persons are entitled to receive if you implement our recommendations in relation to a specific financial product, will be disclosed to you in your SoA or RoA when personal advice is given.

What type of fees, commissions, payments and other benefits do we receive for our services?

The types of fees, commissions and other benefits that may be received by us and BG Wealth Management include the following:

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual

circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services.

This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

Referral fees

We do not accept referral fees.

Where we are referred a client from another profession/practice we may request information on that person (with their authorisation). This may include a request for personal details or a tax return from an external accounting firm. If applicable, we invite them to invoice us for their time, noting that we will pay them up to a maximum of 25% of our initial advice fee charged to the referred client.

Currently we have agreements with the following groups:

- Raft Private
- APC Accounting
- Anatra.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Advisor Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Commissions

If you take out a financial product through us, BG Wealth Management may receive payments in the form of initial commissions and/or ongoing commissions from the financial product providers. These commissions are included in the fees, premiums and interest rate (in the case of margin loans) you pay for the product. This is not an additional cost to you. We may agree to rebate some or all of these.

The commission payable for different classes of financial products include the following:

Investment products

For investment products, including superannuation and annuities, commissions are generally deducted from the funds you invest. Commissions on investment products may only be payable in certain circumstances where an arrangement exists as at 1 July 2013. Where you acquire an investment product before 1 July 2014, commissions may be payable where BG Wealth Management has an existing arrangement with the product issuer prior to 1 July 2013.

BG Wealth Management may receive between 0% and 1% of your initial investment as initial commissions from product providers whose products are recommended to you. BG Wealth Management may also receive ongoing commissions from the management fees of the product providers.

Ongoing commissions range between 0% and 1% p.a. of your investment balance. BG Wealth Management may pass up to 1% of these commissions to us.

Example

We recommend you invest \$10,000 in an investment product. The applicable initial commission is 1% and ongoing commissions are 1% p.a. BG Wealth Management may receive initial commission of \$100 and may pass up to \$100 of that to us. Assuming the investment amount stays the same, each year BG Wealth Management will receive ongoing commission of \$100 and may pass up to \$100 to us.

Life insurance products

Initial and ongoing commissions from insurance providers may be received by BG Wealth Management. These commissions are paid to BG Wealth Management by the company that issues the product that BG Wealth Management's Advisors recommend to you, and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to BG Wealth Management. Ongoing commissions are payments paid by the product issuer to BG Wealth Management in the years after the first year. These commissions may be passed onto us depending what is applicable in the circumstances.

Where there is an increase in your cover, BG Wealth Management may receive initial and ongoing commissions on the increase to your policy cost. The ongoing commission on a client initiated increase is only paid from the period that starts on the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), BG Wealth Management may receive up to 100% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum

commission that BG Wealth Management may receive is set out in the following table:

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission p.a. (% of annual policy cost or increase excl. GST)
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0-140%	0-38.5%
1 January 2018 -31 December 2018*	0-80%	0-31.5%
1 January 2019 -31 December 2019*	0-70%	0-31.5%
From 1 January 2020*	0-60%	0-31.5%

*BG Wealth Management may receive the pre-1 January 2018 commission rates above from the product issuer if:

- Your policy was issued before 1 January 2018 and you exercise an option to establish new or additional cover under your policy after 1 January 2018; or
- Your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

You have an existing policy with us, issued in 2017, and in 2018 you decide to increase the cover on that policy with a corresponding increase in policy cost of \$100 p.a. BG Wealth Management may receive up to \$140 (140% excl. GST) as an initial commission on that increase and may pass up to \$140 p.a. to us. The ongoing commission payable to BG Wealth Management in respect of this increased policy cost may be up to \$38.50 (38.5% excl. GST).

Example

We recommend an insurance product to you and it is issued on 2 April 2018. The annual policy cost is \$450. BG Wealth Management may receive up to \$360 (80% excl. GST) as an initial commission and may pass up to \$360 to us. Assuming the policy cost stays the same each year, BG Wealth Management may

receive up to \$141.75 p.a. (31.5% excl. GST) as an ongoing commission and may pass up to \$141.75 p.a. to us.

Example

From 2 September 2018, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to BG Wealth Management in respect of this increase will be up to \$80 (80% excl. GST) as the increase has occurred in 2018. The ongoing commission payable to BG Wealth Management in respect of this increased policy cost will be up to \$31.50 p.a. (31.5% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 September 2019).

Example

From 2 September 2020, you decide to increase your insurance cover again. The cost of this increased cover is \$100. The initial commission payable to BG Wealth Management in respect of this increase will be up to \$60 (60% excl. GST). The ongoing commission payable to BG Wealth Management in respect of this increase will be up to \$31.50 p.a. (31.5% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 September 2021). These commissions may be passed onto us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that BG Wealth Management and we are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.

Margin lending products

If we organise or increase a margin loan for you, BG Wealth Management may receive payments in the form of ongoing commissions from the margin loan provider. Commissions on margin lending products may only be payable in certain circumstances where an arrangement exists as at 1 July 2013. Where you have entered into a margin lending product arrangement prior to 1 July 2014, commissions may be payable where BG Wealth Management had an existing arrangement with the margin loan provider prior to 1 July 2013. These commissions range between 0% and 0.5% p.a. of your loan balance. BG Wealth Management may pass up to 100% of these commissions to us.

Example

We recommend you borrow \$10,000 through a margin loan. The applicable ongoing commission is 0.5% p.a. Assuming the loan balance stays the same, each year BG Wealth Management will receive ongoing commission of \$50 and may pass up to \$50 to us.

Other benefits

From time to time we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued at between \$0 and \$300 and other benefits that relate to information technology software or support provided by a product issuer or that relate to educational and training purposes.

A copy of the register is available on request for a small charge.
