

At BG Private, we offer a range of bookkeeping and management accounting services to take care of the financial administration side of running your business – so you can focus on increasing growth and profitability.

Why choose us

- ✓ **We're good at what we do.** We are a team of highly-qualified and experienced bookkeepers. We have worked with countless businesses across a range of industries, giving us invaluable experience that can help your business succeed.
- ✓ **We're responsive.** Our growing team of almost 10 Melbourne-based bookkeepers ensures your bookkeeping is done on-time and to a high standard. We pride ourselves on responding quickly to phone calls and emails.
- ✓ **We value long-term relationships.** We know this allows us to get to know you and add more value year-on-year. As a testament to this, many of our clients have remained with us for 5, 10 or even 20 years!
- ✓ **We offer integrated advice.** We can also connect you with our colleagues: Tax Advisors, Accountants and Business Advisors, Auditors, Corporate Advisory and Private Equity professionals, and Financial Advisors so that all your financial matters can be handled by the one team.
- ✓ **We offer reassurance.** We can give you the peace of mind that the financial administrative aspects of your business are taken care of. We can also give you value-added insights so that you get the most out of your business.
- ✓ **We offer tailored solutions.** Because every business is unique, we can tailor our service packages to your needs.

What can a bookkeeper do for your business?

A bookkeeper can ensure you stay on top of your tax and compliance obligations. They can also handle payroll, invoices and record-keeping so that you have an accurate overview and historical record of your financial position. Plus, a good bookkeeper can help you with strategy, cashflow and forecasting so that you have confidence in where you're at and where you're going.

We can give you
confidence in where you're
at, and where you're going
