

Pina Ventura CPA

SENIOR CLIENT MANAGER

Accounting & Business Advisory

Pina has been a cornerstone of BG Private having been with the firm for more than 30 years.

Over this period, she rose through the ranks as a Senior, Supervisor, Manager, and now Senior Client Manager.

In addition, she has had a diversity of roles from team leader, internal group accountant, manager of our Bookkeeping and Accounting Services team, to the head of our Graduate Program.

A testament to Pina's skill and client relationships is that she has had a continuity of clients over the decades. She has worked with clients to assist and guide them with taxation matters as well as assist with their businesses, sell their businesses, start new businesses, and even see some through to retirement. She has even become a trusted advisor to their next generation.

She has a broad client base ranging from family businesses and SMEs to larger entities.

During the 10 years in which she led the Graduate Program, she was responsible for educating and mentoring more than 100 of our Accounting Graduates. This role involved onboarding Graduates in BG Private's systems and procedures, as well as teaching them the fundamental tax and compliance aspects of accounting. The Graduates who progressed through her Program gained the confidence to embark on the next stage of their careers.

Pina is an experienced ballroom dancer and enjoys going to the theatre in her spare time.
