As Managing Partner, Eugene leads strategy and is responsible for the firm's growth. This includes overseeing process improvements, finance, IT, staffing, and marketing, as well as looking for opportunities to expand our service offering.

Having started at the firm as an Intermediate Accountant himself, he knows the importance that mentorship and inspiration play in professional development. MANAGING PARTNER

Accounting & Business Advisory

Above all, Eugene prides himself on prioritising clients, driving our efforts to maximise client satisfaction.

Since joining the company he has built a significant and loyal client base, retaining some of them since the very beginning. As an illustration of his long-term partnership with clients, he has helped some of them progress from an employee role through to running their own multi-million-dollar businesses.

His clients benefit from Eugene's "on the job" specialist advice and his expertise in consulting, taxation, and financial management. His wealth of knowledge is exemplified by his appointment to a variety of boards, including some as chairman.

Eugene is a music buff and a philanthropist. He successfully combines these passions with his managerial experience to help numerous charitable and not-for-profit organisations. As an example, he recently helped raise more than \$300,000 to construct a new wing of the Cabrini Hospital.

In his spare time, Eugene loves playing and collecting guitars. He is also a passionate Richmond Tigers supporter.

BG Private is an association of separate firms that operate in Melbourne and Sydney under the same trading name. The Melbourne firm and the Sydney firm are not partners or agents of each other, and shall not be liable for any act or omission of each other.
